Orato.com: Citizen Journalism from Around the World

By Connie Luayon | Related entries in [Citizen Journalism](#)

I've signed up for an account at Orato.com. Orato is a first person, citizen

journalism site that allows registered users to post stories, comment on and rate articles, post ads, and participate in polls.

Orato welcomes stories on Current Events, Entertainment, Health & Science, Sports, Lifestyles, Travel & Adventure, Media Matters, Love & Friendship, Business & Technology, and Mysteries.

I haven't submitted anything yet since I'm currently busy working on some projects. But I'll try to squeeze this in when summer arrives. If you have an article posted at Orato, let me know.
