Writing Toward Redemption

[Comments \(0\)](#)

Reporters from around the globe have been covering the trial of Robert William Pickton. There's one person covering the trial who's done more research into the lives of the victims than anyone else in the courtroom. Pauline VanKoll is currently writing for Orato.com and her research is deeply personal, her stories are unlike anything else you'll find in mainstream media. Carole MacNeil brings you her story.
